Volumetric Weight - (L x W x H) / 5000 = Volumetric Weight (dimensions in cm), kilograms.

Volumetric Weight - (L x W x H) / 5000 = Volumetric Weight (dimensions in cm), kilograms.

CONTENT

All the content of shipments that can be defined as a document is classified as goods with or without commercial value. For sending outside the European Union, a CN22 document will be completed by the TCE based on the declared value and attached to the shipment.

The content of the shipments must be in accordance with the legal limitations as well as those published on the company's website as goods restricted to transport.

Shipments are not subject to export customs formalities, but depending on the country of destination, its tax system, taxes may be requested in the country of destination, to the recipient.

TARIFFS

The rates are expressed in EUR without VAT. Invoicing is bimonthly in EUR.

No other fees, index, or delivery fees apply.
VAT is applied based on the legislation in force.

TRANSIT TIME

The transit time is indicative and is expressed in working days. The transit time is calculated from the day after the shipment is handed over, and may be affected by logistical or external factors (customs operations, authority checks, last mile delivery), but also by operational factors.

SHIPMENT VALUE

SHIPMENT VALUE
Shipments can be insured UP TO USUALLY at the value mentioned by the customer by paying a fee of 2% of the amount mentioned in the "insured value" section. In the absence of insurance, the compensation is made according to the general conditions or contract.

Additional cash on delivery, redirection, document return, sanbata delivery or other additional services are not available for this service.

SHIPMENT DELIVERY

The delivery of shipments is carried out with the recipient's telephone notification. Depending on the destination, one or more delivery attempts are made, after which the recipient is notified to pick up the shipment from the nearest center within a maximum of 7 days. After the expiry of this period, the shipments are returned to the origin without prior notice.

The returns do not have an assumed delivery time, being transported consolidated according to the capacities of the foreign partners.
